

# CNC SOLUTIONS

**Providing Solutions for Your Manufacturing Needs**

- Is your machinery safe? Applied safety now saves money later.
- Have you set up your annual PM or Ball bar on your machinery?
- Can our products help you complete your job more efficiently?

-DURING THESE TOUGH ECONOMIC TIMES IS THERE A BETTER WAY TO ENGINEER YOUR PROJECT?

-CAN'T AFFORD TO BUY NEW EQUIPMENT?

**CNC Solutions can update your existing equipment to fit the needs of your current project.**

-DO YOU NEED TO KNOW THE ROI TO JUSTIFY YOUR NEXT PROJECT?

**CNC Solutions can run the numbers for you.**

To answer these questions or to have CNC Solutions explore your current projects needs—come see us at the show.

We will be at booth #822.

WI Manufacturing Tool Show

State Fair Park Expo Center—West Allis

October 6-8, 2009
